The Family Educational Rights and Privacy Act of 1974 provides that colleges may not release information about students nor let anyone else look at their records (with certain exceptions) without the student's consent. While this law applies only to enrolled students, Bloomfield College's policy is to protect the privacy of applicants. Bloomfield College admits students of any race, color, sex, national and ethnic origin to all of the rights, privileges, programs, and activities generally accorded or made available to matriculated students at the college. It does not discriminate on the basis of sex, race, color, disability, national and ethnic origin in administration of its educational policies, scholarship and loan programs, and athletic and other College-administered programs.
